As an inclusive school we encourage all the senior students to obtain a full IB Diploma. Mahindra International School does not rank nor report individual student GPA on transcripts. Disciplinary action resulting in student off-campus suspension during the last two years, incidents of academic integrity, or any changes in student MIS enrollment status are disclosed according to university expectations either pre or post admission. Continuous 2-year assessment and grading without averaging is reported and aligned with the IB to allow consistent and reliable prediction of final IB grades. Each transcript grade is based on assessment evidence aligned with the IB to offer a current prediction:
